

**VII STUDENT SYMPOSIUM OF
THE FACULTY OF MARINE AND
ENVIRONMENTAL SCIENCES
(SACMA 2022)
SEA-EU POSTER SESSION**

The Student Symposium of the Faculty of Marine and Environmental Sciences (hereinafter, SACMA) has been held since 2015 at the University of Cádiz as the first contact of our students with a research conference. This Symposium lend our students (BSc, MSc and early PhD students) get their first contact in a research conference. The aim of the Symposium is to spread the research carried out by our students (e.g. final project studies) to their classmates in a friendly environment. Moreover, students from other faculties whose research activities are related with Marine and Environmental Sciences are also welcomed.

Among the objectives of the Symposium are the diffusion of research, to promote the critical and forward thinking and to improve the student's communication skills. Besides, this year is open to partner universities of the European University of the Seas (SEA-EU) with the aim of internationalize this activity.

Then, a special poster session for students of the SEA-EU partner universities has been considered. All accepted poster will be exposed at the Faculty of Marine and Environmental Science (University of Cádiz, Spain) and authors can explain its research during a virtual session.

Participation requirements

The Symposium is open to BSc, MSc and early PhD students from some of the partner Universities of SEA-EU consortium.

Students should submit an abstract of a research work related to Marine and Environmental Sciences. Besides, student's participation might be supported by a professor (mentor) who belongs to any partner University (SEA-EU consortium) and teaches in the field of Marine and Environmental Sciences.

Students from the SEA-EU Universities can participate only in the poster or attendance categories.

Registration and abstract submission.

Deadline for submissions is **March 1, 2022 (14:00 h CET)**. Abstracts should be written in English following the template in Annex I. Abstracts should be submitted joint to the registration form (Annex II) and with the mentor's approval (Annex III).

Students can also participate only as attendant sending the registration form (Annex II) before **April 22, 2022 (14:00h CET)**.

All documents should be send as .docx (or previous) format to inscripcion.sacma@uca.es.

Scientific committee

Abstracts will be evaluated by a Scientific Committee formed by professors from the different knowledge areas of the Faculty of Marine and Environmental Sciences of University of Cádiz. Notification of acceptance will be sent by e-mail to participants before April 1, 2022.

Poster instructions

- Size: 90 x 120 cm
- Posters should include: the presentation title, author/s, affiliation, knowledge area, professional contact information for the presenter
- After the selection process is completed, posters should be submitted in format .pdf
- Posters will be printed and exhibited in the Faculty of Marine and Environmental Sciences. They will be also accessible virtually (añadir la web?).
- Students should attend virtually to the poster session (SEA-EU poster session is scheduled by 6 May). Posters will be evaluated by a Scientific Committee composed by three professors who will ask students about the research work to select the best poster.
